TRIMURTY

THE STATUS OF 'A MAN TO SHRI NARAYAN OR SHRI RAM' AND 'A WOMAN TO SHRI LAKSHMI OR SHRI SITA' IS BEING ACHIEVED ONCE AGAIN THROUGH THE ALMOST DISAPPEARED KNOWLEDGE AND YOG ABOUT THE CREATOR AND HIS CREATION RECEIVED FROM THE SUPREME SOUL SHIV

GOD'S NAME AND FORM

Ocean of nectar of knowledge, the most Beloved, God Shiv says:-

Beloved Children! I am not nameless and formless or omnipresent. Instead, My name is Shiv and My unmanifest form is Jyotirlingam. Since, I am the Creator of Brahma, Vishnu and even Shankar, I am also called Trimurti. My unmanifest Jyotirlingam (Form of light) form is neither like the subtle bodily form of deities nor like the physical bodies of human beings. Because of this I am also called 'Nirookar', i.e. incorporeal.

THE SUPREME ABODE

I, the incorporeal, i.e. bodiless Supreme Soul, dwell in 'Brahmlok' (i.e. the soul world) far beyond this world of human beings with physical bodies and also beyond the world of subtle bodied deities. The Jyotirlingam-like human souls also dwell there in the Brahmlok in the Brahmgyoti, the highest element when they are in a stage of nirvan (i.e. liberation). It is from there that every bodiless soul descends into this human world at its respective time, to play its eternal definite role as per its eternal resolves. I, the incorporeal God of Gita also come from the same Supreme Abode to this human world stage at the Confluence Age, to perform My eternal task.

SECRET OF THE CREATION

Dear divine children, who have parted from me since a long time,

This is an eternal pre-ordained drama of five man ages, five chief religions, which involves half a Kalpa (i.e. 2500 years) of

THE GOLDEN-AGED DEITY-WORLD (HEAVEN) ESTD BY SUPREME SOUL

defeat at the hands of Maya, i.e. the five vices and half a Kalpa (i.e. 2500 years) of victory over Maya, which is achieved through Me. This drama keeps repeating every Kalpa (i.e. 5000 years). I am the Creator, Director, Main Actor, the one who knows about the beginning, middle and end of the drama, parulok, the beloved Supreme Father-Teacher-True Preceptor, Purifier of the sinful ones, Incorporeal, Living (chaitany), beyond the cycle of birth and death, God of Gita, Trimurti Shiv or Sornath (Creator of Brahma, Vishnu and Shankar), I incarnate only once in every Kalpa at the pleasant auspicious Confluence Age (samyog) to establish the Golden-aged Aat Sanatan Dev-Devata Dharma (i.e. ancient deity religion) with the power of easy knowledge and easy Rajyog through Brahma to cause destruction of various Iron-aged demonic religions through Shankar by way of ferocious Mahabharat missile war and natural calamities, and to cause sustenance of the deity religion through Vishnu.

TIME OF INCARNATION

O children! By the end of the Iron Age (Kaliyug), while passing through the cycle of birth and death, when all the religious Fathers and all other human souls of their dynasties have passed through all the four stages of pleasures and pains and become religious, unrighteous, yogis/rajas (who have lost spiritual connection) with demonic resolves due to the very powerful Maya, i.e.

THROUGH BRAHMA
REESTABLISHMENT OF GOLDEN-AGED DEITY WORLD OR HEAVEN BY THE POWER OF EASY KNOWLEDGE OF GITA AND EASY RAJYOG TO GRANT THE STATUS OF BEATITUDE

THROUGH VISHNU
SUSTENANCE OF THE DEITY-WORLD OF GOLDEN AND SILVER AGE THROUGH SHRI LAKSHMI OR SHRI SITA TO GRANT THE FRUITS OF BEATITUDE

THROUGH SHANKAR
DESTRUCTION OF THE IRON-AGED DEMONIC WORLD OF FULL OF BONAGES THROUGH INTERNATIONAL WAR, CIVIL WAR AND CALAMITIES TO GRANT SALVATION OR LIBERATION (MURVAAN)

five vices, then I, who am beyond birth and death, pleasures and pains, effect of actions (ep-karap), always remaining in a constant stage, always an 'Awakened light' (Jagat jyot), the Parulok Supreme Father-Teacher-True Preceptor of everyone, Dharmaraj, Trimurti and Trikooslorah, i.e. knower of the beginning, middle and end of the world, Yogeshwar, Almighty, Master of the world, Purifier of the sinful, I perform and enable three divine tasks to liberate everyone from the bondages of Maya to show the path of the abode of salvation (muktiddham) and the abode of beatitude (prevanmuktiddham) through divine intellect and divine vision, to destroy the sins of everyone and to cause their true salvation, and to take the souls to their original, pure, parulok stage.

DIVINE BIRTH AND TASKS
ESTABLISHMENT - At the conclusion of Iron Age and new Golden Age (Satyug), I descend from the soul world in the ordinary old human body of eighty-fourth birth of Shri Krishna, i.e. Shri Narayan. After my glorious birth, that human being comes to be known as 'Aat Dev Brahma' or 'Adam'. Through his lotus-like mouth, I, once again, teach the almost disappearing Gita Knowledge and 'Yog' through this Knowledge and 'Yog'. Brahma and his mouth-born progeny Saraswati achieve the post of Shri Narayan and Shri Lakshmi (who were Shri Krishna and Shri Radhey who were their swayamvar) once again at the

THE IMPURE DEMONIC WORLD (HELL) ESTD BY ANKA DEVIS

beginning of the forthcoming, Golden-aged world. The man and women who gain victory over the five vices through the power of this Knowledge and 'Yog' and imbibe the pure resolves, achieve the post of deities in Golden-aged Sun Dynasty and those men and women who imbibe the ordinary pure resolves, achieve the post of deities in Silver-aged Moon Dynasty, in a state of beatitude. In this manner, after obtaining the nectar of knowledge only once in the Kalpa in this Confluence Age through Me, the World Preceptor Shiv, there is no necessity at all for knowledge or spiritual efforts during the period of highest attainment (svartim prasarothok), i.e. the Golden Age and Silver Age (Pretayug).

DESTRUCTION - At the end of establishment, I only inspire (or goad) the European scientists, i.e. the Yodous and Indian bodyconscious people, i.e. the Kourav, to cause destruction through Shankar. In this manner, after causing the mega-destruction through atomic and hydrogen bombs, civil wars, natural calamities, etc. I take all the souls back to the soul world.

SUSTENANCE - Thereafter, I only cause the sustenance of the Golden-aged and Silver-aged divine world of beatitude established with an am of Vishnu (Ghustubhi) through Shri Lakshmi and Shri Narayan, Shri Sita and Shri Ram, etc.

NOW GOD SHIV SAYS-

The human soul, who does not know Me, the bestower of Purity-Prosperity-Peace upon everyone, the creator of world, the Supreme Soul and the story of actions of this birth and rebirth of the main actors of this world drama and the secret of total time and repetition of the history of the world now through Me, the Trikooldhar (knower of past, present and future) Supreme Soul Shiv or the human soul, who does not make the highest efforts to get transformed from a man to Narayan after knowing the above, that human being possesses dull intellect.

This picture of Supreme Soul and deities etc. has been prepared on the basis of divine visions seen through the divine eyes and on the basis of the experiences of the divine intellect.
