

# TRUTH ABOUT THE CREATOR AND HIS CREATION

BEING REVEALED BY THE MOST BELOVED WORLD GOD FATHER SHIVA LIKE KALPA (5000 YEARS) AGO.

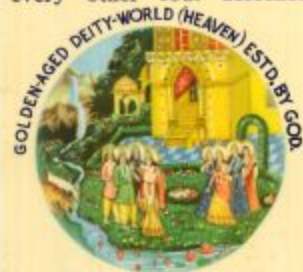

## GOD'S NAME & FORM

God, the most Beloved, Incorporeal, Knowledgeful, Blissful Father says:-

"Beloved Children! I am not nameless or formless. My name is Shiva and form is Jyotirlingum. I am Trimurti, i.e. the Creator of Brahma, Vishnu & Shankar. I am Nirakar, i.e. Non-anthropomorphic. It does not mean that I am Omnipresent but that My Incorporeal Jyotirlingum Form is not like the bodily form of deities or human beings.

## SUPREME ABODE

I dwell in Brahmlok, far beyond the sun and stars of this corporeal world. Human souls also dwell there when in Nirvana. It is from there that I and every other soul descends

at its respective time to play its preordained role.

## WORLD-THE CREATION

This world of corporeal human beings is eternal, preordained drama or Lila of five epochs. Four chief religions (shown in the Wheel) make its main story.

## HEAVEN & HELL

This corporeal world is veritable Heaven during Golden-age, because then there is only one Deity Dynasty of complete Purity, Peace and Prosperity. In Iron-age, it is veritable Hell, because Maya, i.e. vices are Omnipresent and there are many Tamo-Guni religions and sovereignties.

## TIME OF GOD'S DESCENT

At the confluence of Iron-age and Golden-age, when

GOD FATHER SHIVA GITA-SERMONIZER

**THROUGH BRAHMA**

GOD SHIVA GETS RE-ESTABLISHED GOLDEN-AGED DEITY WORLD SOVEREIGNTY OF COMPLETE PURITY, PEACE & PROSPERITY BY GODLY KNOWLEDGE & YOGA OF GITA FAME.

**THROUGH VISHNU**

GOD SHIVA GETS SUSTAINED THE GOLDEN-AGED DEITY WORLD SOVEREIGNTY THROUGH DEITY VISHNU'S TWO DEITY-HUMAN FORMS SHRI LAKSHMI AND SHRI NARAYANA.

**THROUGH SHANKAR**

GOD SHIVA GETS DESTROYED THIS VICIOUS, IRRELIGIOUS, UNLIFYUL, VIOLENT WORLD, CALLED HELL, BY ATOMIC WORLD WAR OF MAHABHARAT FAME, FOR BESTOWING MUKTI.

irreligiousness & unrighteousness prevails, I, Knowledgeful Shiva, the God-Sermonizer of Gita, descend from My Param Dham (Brahmlok) in an old man, who comes to be known as Brahma or Adam.

## GOD'S ACTS

I get the Golden-aged Jiwan-Mukt Deity Sovereignty re-established through Human Brahma, by impartation of Godly Knowledge and Yoga to the Iron-aged people. Those, who obtain enlightenment, are called real, soul-conscious Brahmins. They attain deity status in subsequent births. I get the most part of the Iron-aged, irreligious world destroyed through Shankar by goading Yadvas (i.e. the scientists of Europe, etc.) and Kaurvas (the body-conscious people of Bharat). And then I get the Golden-aged Deity-world

sustained through subtle Vishnu's two corporeal forms Shri Lakshmi & Shri Narayan and their deity descendents.

## REPETITION

In Copper-age (Dwapur-Yuga), the people of Adi Sanatan Deity Religion become body-conscious again. Then Islam, Buddhism, Christianity, etc. get re-established. They grow to their full by the end of Iron-age. Then I descend again at the Confluence and re-perform My Godly Acts. This is how the World Cycle repeats and has been repeating identically Kalpa after Kalpa (5000 years)."

(2) EVERY HUMAN SOUL HAS TO PASS THROUGH ITS GOLDEN, SILVER, COPPER AND IRON STAGES TILL THE END OF KALI-YUGA. (3) TRUE KNOWLEDGE ABOUT ME AND MY CREATION CAN BE TAUGHT ONLY BY ME - IMMORTAL, KNOWLEDGEFUL FATHER-CUM-TEACHER-CUM-PRECEPTOR OF THE WORLD. (4) VICIOUS ACTIONS CAN BE ABSOLVED BY HAVING THE SPIRITUAL YOGA WITH ME, THE INCORPOREAL GOD. (5) A SOUL CANNOT BECOME GOD.

## The Truth about God

The Most Beloved, Knowledgeful and Blissful God-Father Shiva, says:-

"Dear Children, I am not nameless, formless or omnipresent. My attributive name is 'Shiva' and my incorporeal form is like a self-luminous point and is called 'Jyotirlingam'. I dwell in the soul World of Brahmlok which is the abode of all the liberated human souls also. I am 'Trimurti' i.e. the Creator of Brahma, Vishnu and Shankar, the three subtle Deities.

Now I have descended into a mediocre man whom I have named 'Praja-Pita Brahma'. Through the medium of this man, I am imparting Knowledge about the beginning, the middle and the end of the eternal Human world Drama and I am teaching Sahaj Raj Yoga for the moral uplift and spiritual liberation of the people of Bharat. Through non-violent power of this Godly Knowledge and easy Yoga, I am re-establishing Ram Rajya and thus fulfilling the aspirations of late Babu Gandhiji.

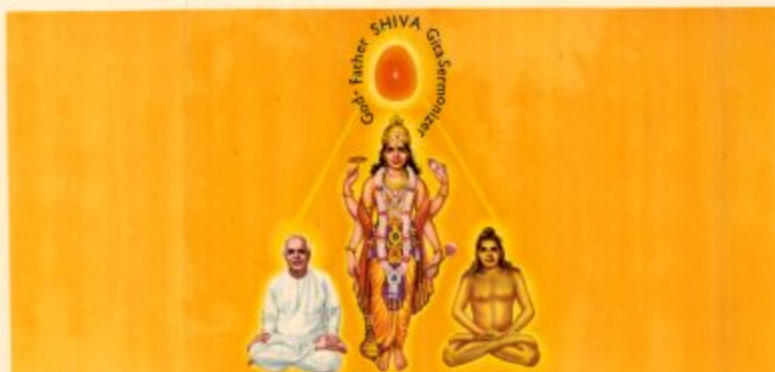

Side by Side, the preparation for a huge destruction through natural calamities, civil war and a nuclear world war are going on as goaded by the Deity Shankar. The forthcoming world-destruction would bring an end to the Iron Age, the era of vices and peacelessness and would open the Gate to the Soul-World of Peace and Release (Mukti).

### Greatest Blunder.

Dear Children, In fact it was I, the incorporeal World God-Father Shiva who, 5000 years ago, imparted the Godly knowledge which later came to be known as the Supreme Scripture Shrimad Bhagwad Gita. But later the people of Bharat came to regard Shri Krishna as the Gita Sermoniser. Therefore, by ascribing the name of Shri Krishna to Gita in place of My name, the people of Bharat have lost spiritual Connection (Yoga) with Me, the Incorporeal God-Father Shiva and have, therefore, also lost the inheritance of liberation (MUKTI) and fruition (JEEVANMUKTI) and have become vicious, irreligious, unrighteous, insolvent and miserable.

Dear Children, if the scholars and pundits of Bharat had not committed this blunder the people of the entire world would have accepted Shrimad Bhagwad Gita as the Supreme Scripture of all religions. They would have regarded its sermons as the sermons of the Incorporeal World God-Father and would have esteemed Bharat also as the Supreme pilgrimage, considering it as the holy land of the divine incarnation of God Himself.

### Godly Message

PRAJAPITA BRAHMAKUMARIS & BRAHMAKUMARS

## 84 Births of Shri Laxmi and Narayan

Most beloved God-Father Shiva says:-

"Dear children! 5000 years ago, in the beginning of Golden-Age (Satyuga), there ruled in Bharat the worship-worthy deity-sovereigns Shri Laxmi and Shri Narayan. There was complete and ever-lasting purity, peace and prosperity in that epoch. Before swemvara (marriage), Shri Laxmi and Shri Narayan were known by the names Shri Radhe and Shri Krishna respectively. They were all-virtuous, completely viceless, 16 degrees righteous, celestial deities and were completely non-violent. In the Golden-Age (Satyuga) of 1250 years, they took 8 Births in Suryavanshi deity dynasty and in Silver Age (Treta yuga) of 1250 years, they took 12 Births in Chandra Vanshi dynasty. During Copper (Dwapur) and Iron Age (Kaliyuga) of 2500 years they took 63 Births in Vaishya and Shudra dynasties as supreme worshipper—sovereigns or the subject.

Now at this Confluence Age (Sangam Yuga), when Shri Narayan is in his last i.e. 84th birth and is a mediocre man, I have descended into his body and have named him 'Praja-pita Brahma'. Shri Laxmi, in her present 84th birth is the divine progeny or mouth-born daughter of Prajapita Brahma whom I have named 'Jagadamba (World-Mother) Saraswati'. Now by teaching Godly Knowledge and Rajyoga through Prajapita Brahma, I am getting the new, Golden Aged Deity World-Sovereignty or Heaven or Paradise re-established. Through this Rajyoga, Prajapita Brahma and Jagadamba Saraswati will attain again the status of worship-worthy world-sovereigns Shri Narayan and Shri Laxmi respectively, in their next life.

Dear children, those who will now help me (World's Babuji or Father) in the re-establishment of the new world of complete Purity, Peace and Prosperity by leading a holy and Yogi life, i.e. a lotus-like Pure life, shall be rewarded with the double-crowned deity-status or the status of World-Sovereign like that of Shri Narayan or Shri Laxmi in the Golden-Aged Suryavanshi deity Dynasty.

# RELIGIO-POLITICAL WORLD HISTORY, GEO. & PHILOSOPHY

BEING TAUGHT BY THE MOST BELOVED WORLD GOD-FATHER SHIVA LIKE KALPA(5000 YEARS) AGO.

## THREE WORLDS

Jyotirlingum Shiva, the Incorporeal God of Gita, says through Brahma-

"Lovely children, this human world is like an inverted tree in ether. I am its Immortal Seed. I dwell in Brahmlok, far above the sun and stars of this world and beyond the subtle world also. I, the Incorporeal Supreme Soul, am not Omnipresent in this world of corporeal beings. Rather, I have the knowledge of the past, the present and the future of this world, even as a seed of any earthly tree has, latent in it, the potentiality of the whole evolution of the tree. So, none but I, the Seed, alone am Knowledgeful and Trikal-Darshi.

## BEGINNING OF KALPA-TREE

Beloved children! At the confluence of the end of Iron-age and the beginning of the Golden-age, I teach the Knowledge & Yoga of Shrimad Bhagwad Gita-fame by utilizing the oral organ of Adi Deva Brahma (Adam) Thus I get re-established the Golden-aged Sattwa-Guni Deity World. During the Golden-age & the Silver-age, there are no vices, no sufferings and no peacelessness. Therefore, that period is also called the 'Day of Brahma'.

## THE MID PERIOD

From Copper-age, vices sufferings and peacelessness begin. Islam, Buddhism, Christianity, etc. get established and various kinds of worship, scriptures, Yagyas, Tapas, Yogas, Rituals, etc., come in vogue.

## NATURAL CALAMITIES, INTERNATIONAL

LOOK! THE SCIENCE-PROUD EUROPEAN YADAVS WILL DESTROY ONE ANOTHER IN THIS INTERNATIONAL ATOMIC WAR (MAHABHARAT) LIKE 5000 YEARS AGO.

## ATOMIC WAR & CIVIL WARS.

THE PURITY AND SILENCE-POWER OF BHARAT MOTHER SHAKTIS (PANDAVAS) WILL RE-ESTABLISH DEITY WORLD SOVEREIGNTY.

But none can realise Me by means of any of these man-made paths. Of course, I do reward the efforts of Bhagats, Sanyasins and Sadhaks with short-lived boons or sidhis. These two epochs of downfall and degradation may be called 'Night of Brahma'.

## END OF KALPA-TREE

By the end of Iron-age, all souls have become sinful and the human world, illustrated by Kalpa-Tree, has fully grown to the verge of decay. Then I, the incognito Supreme Soul, descend again into the old ordinary body of Brahma (alias Bhagirath) and bestow the mythical 'Urn' of the Nectar of Godly Knowledge to the Mothers and Virgins, Gopis, Shiv Shaktis, alias Brahma Kumaris of Shrimad Bhagwat fame. It is on account of the extraordinary service rendered by these 'Gyan Gantas' or 'Yogin Shaktis', that the tradition of offering veneration and worship to Virgins and Shaktis is in vogue in Bharat till this day.

## VAIJAYANTI-MALA AND THE GANGAS

The 108 Beads of the Vaijayanti Mala or the Rudraksha Mala are commemorative of these Virgins & Mothers and Gopes & Pandavas. The dual bead is symbol of Brahma & Saraswati and the Flower, of Me, the Incorporeal God Father - cum - Teacher-cum-Preceptor Shiva.

## GREAT BLUNDERS

By preaching that a human soul is Shiva or that God is Omnipresent, the preachers have led mankind astray from Me."

"DEAR CHILDREN, CONQUER THE FIVE VICIES BY MEANS OF THIS GODLY KNOWLEDGE AND BY YOGA WITH ME AND REGAIN GOD-FATHERLY BIRTHRIGHT OF SOVEREIGNTY OF THE GOLDEN-AGED DEITY WORLD, BEFORE THE FORTHCOMING WORLD DESTRUCTION?"

REMEMBER:- (1) SOUL OF EVERY DIVINE FATHER UNDERGOES TRANSMIGRATION TILL THE END OF KALPA FOR SUSTENANCE OF ITS DYNASTY. (2) MAXIMUM BIRTHS OF A HUMAN SOUL IN A KALPA ARE 84. (3) NO HUMAN SOUL TRANSMIGRATES INTO ANIMAL SPECIES. (4) SOUL IS NOT IMMUNE (NIRLEP) TO ACTION. (5) THE KNOWLEDGE OF GITA WAS NOT IMPARTED BY SHRI KRISHNA AT THE END OF COPPER-AGE BUT BY ME, SHIVA, THROUGH BRAHMA AT THE CONFLUENCE. (6) SHRI KRISHNA DID NOT HAVE 108 QUEENS. NOR SHRI RAMS SITA WAS KIDNAPPED. (7) NO HUMAN SOUL CAN BE CALLED SHRI SHRI 108 JAGAT GURU.
