

“DANCE MY BULBUL (NIGHTINGALE), YOU WILL GET MONEY”

- Numerous *kukhvanshaavali*¹ Brahmins of lower clan also emerged along with Brahma *mukhvanshaavali*² *Suryavanshi*³ Brahmins through the Veda vani⁴ that was verbally narrated through the mouth of Brahma like all the [other] religious fathers. Those very so called Brahmakumars of lower clan who converted to the *videshi* (foreign) and *vidharmi* (those belonging to a religion opposite to the Father's religion) [clan] of the dualistic demons of the Copper Age like Abraham and so on in the next four ages, have performed such shameful lowly acts in the present Confluence Age rehearsal period of the future broad drama of 5000 years because of which even God incarnate became 'Kalankidhar'⁵, who bears innumerable defamations and a duplicate actor like the fruit *naa+real* (not+real⁶) which is offered completely on the *Shivling* at the end of the Iron Age according to [the saying] "as is the name, so are the tasks performed (*jaisaa naam vaisaa kaam*)" in the country of Bharat itself.
- At the end of the sinful Iron Age just because of countless sinful acts of these *kukhvanshaavali* Brahmakumars, today, no one even remembers the deity soul like Brahma who is included among the most famous *muurtis* (personalities) like the Trimurti. Neither the idols of Brahma are prepared, nor any human being makes temple in his remembrance and worships his pictures or idols [there]. In today's degraded Iron Age world no scholar like Ramchandra of Gayatri family is even seen listening and narrating the Veda vani that came out through the mouth of Brahma; understanding and explaining it is a distant thing. [Brahma isn't worshipped anywhere] except Pushkar near Ajmer Sharif⁷, the pilgrimage place of the Muslims. Only those who convert to the Muslim religion from the dualistic Copper Age [i.e.] at the end of the Silver Age at that time [worship him], in the remembrance of these very *pushkarni*⁸ Brahmakumars of the lower clans who existed 2500 years ago, just like at Mount Abu only few Brahmins make the idols or pictures and so on of Brahma and worship [him] in temple in the remembrance of Pushkar. The *Suryavanshi* souls of the Advance Party which is called Shankar party by the Brahmakumars themselves have pushed and revealed them in the form of (*push+karni*) Brahmins in the scriptures from the Copper Age shooting. These very *kukhvanshaavali* Brahmins who do Divine (*Ishwariya*) service of the world out of compulsion, with blind faith [and] just to show off and who make the declaration of creating the new world by saying 'I, I', are the remembrance of the *pushkarni* Brahmins of *Aj+merh*⁹ (Ajmer). These very so called Brahmakumars didn't even protect the honor of the beard of the tolerant deity soul of Brahma through heavy shower of their bad deeds that are considered to be worldly corruption. They even declared Brahma, who plays the part of their mother and father in practice in the world and his true children, the *Suryavanshi* and *Candravanshi* Brahmins of the highest clan [and] the real Indian deity souls who are worth becoming [the members of] *Vasudhaiv kutumbakam*¹⁰ as 'Kaafir'¹¹, among the human souls of the entire world who are the followers of other religions. In this way they simply disgraced the name of all the *Bharatvaasi*¹² Hindus and finally, in the Iron Age, they have just made them into working servants bought by the foreigners [like] Muslims, the English men etc. The 100 years rehearsal period of this 5000 years broad drama of the world is going on

even now. Now also the world beneficial real *Bharatvaasi* children [who have the feeling:] ‘the world should be benefited’, who see the dreams of ‘*Vasudhaiva kutumbakam*’ created by God, the Father Shiva, the Incorporeal Director, who always stays behind the curtains, have a strong chance to have the deepest CBI investigation done of the real corrupt bad deeds of these converted *kukhvanshaavali* Brahmins of Brahma who belong to the lower clans and have them expelled immediately from the mother land of the Indians that is going to become “*janani janmabhuumishca swargaadapi gariyasi*”¹³ in the near future. These very *kukhvanshaavali* Brahmins have spread completely false rumors in the media and by the worldly dominance (of big people like the President, the Prime Minister) they have influenced the various departments of the Indian government along with the present time High Courts ranging from the lower to the higher [level] and even the Supreme Court under Dharamraj, who is famous in the scriptures as the Supreme Chief Justice of the whole world, and with their financial influence they have also prejudiced NGOs and some special media people.

- Numerous departments with different names like DCW, CWC, MCD, DHC, UGC, UPP, WBP, DP, HRC and no one knows how many people who show much intelligence like various kinds of NGOs are performing the sensational + naked dance (that creates amazement or interest in people) of “dance my *bulbul*, you will get money (*naac meri bulbul, tujhe paise milenge*)” famous in the films on the tune of completely false [and] personal rumors based on just the hearsays of the media accepted by today’s corrupt government that supports these very so called Brahmakumars. As a result of this the time, money and energy of the innocent modest subjects of entire Bharat and the unlawful democratic government made by them is being misused unnecessarily. This democracy has spread rapidly in almost all the countries of the entire world after the First World War itself. Concurrently, on the other hand, now, at the end of the Iron Age, *Kalpaantakaari*¹⁴ God of the Gita is teaching Raja yoga to few human souls who are like Pandav Arjuna to a greater or a lesser extent, He is making them into independent kings for many births and is establishing the monarchy of kings. This very monarchy can be clearly seen in the mythological and human made history from the Golden Age till about the end of the Iron Age. As for the rest, democratic rule will be removed from the entire world within few years. It is the democratic rule spread by human beings who have become *taamasi* (degraded) even at the end of the *taamasi* Iron Age of the present shooting period of broad drama or you can say by BK Kumarka [or] daughter Maya of the shooting period of broad drama. It will be destroyed soon by the atomic bombs that have been prepared for the great destruction in the Fourth World War through the inspiration of *Om Mandali* (before 1942) with the power of yoga taught by ‘*Har-har, bam-bam*’¹⁵, the extremely famous Supreme Father of the entire undivided Bharat.
- Even in the avyakt vani books published by the Brahmakumars at Mount Abu, the soul of Dada Lekhraj Brahma who enters B.K. Gulzar Mohini gave a clear hint beforehand to all of us Raja yogi Brahmins who study the advance knowledge of the Gita, the few ordinary *Bharatvaasis*, meaning five Pandavas who can be counted on five fingers [saying:] “*Bharatvaasis* have attained degradation just because of [listening to] the hearsays”. (Murlī dated 30.01.71, beginning of pg.4)
- “When (the Supreme Shiva) Father comes, great people just become great fools. The greater they are, they become fools to that extent [...] Look, do the great political leaders know (the Supreme Father)? So, they are great fools, aren’t they? They perform all wrongful tasks. (For example, they perform the wrongful tasks like kidnapping major girls under the pretext of rescuing them and of suddenly demolishing ‘Vijayvihar’, the huge building of the capital like Delhi.) [...] You say (the Supreme) Father has arrived; they say, this can’t happen at all. So, they perform wrongful tasks (like demolition out of anger), don’t they?” (Avyakt vani dated 21.03.81, end of page 79)
