

LAKSHMI-NARAYAN

THE CREATORS OF HEAVEN AND THEIR DIVINE CREATION

INTRODUCTION OF SUPREME SOUL (SUPREME-SOUL)

Ocean of knowledge, Purifier of the sinful ones, Bestower of true salvation upon everyone, Sermoniser of Gita, God Shiv says:-

Dear Children, I am not nameless, formless or omnipresent. My name is 'Shiv', My form is an unmanifest point of light. The infinite light (*akhand jyoti*) *Brahma Mahatatva*, i.e. soul world is the dwelling place of Mine as well as you souls also. Being the Creator of deities, namely, Brahma, Vishnu and Shankar, I am also called '*Trimurty Shiv*'.

Now, I, have made a divine entry into an ordinary old body of Prajapita Brahma and am imparting easy knowledge about the beginning, the middle and the end of the Human world and am teaching easy Rajyog to transform you Indians from sinful to pure, once again. Through Brahma's mouth born progeny *ShivShakti Pandav Army* and through the non-violent power of Knowledge and Yog, I, the **protector of the Pandavas** (*Pandavpati*), the Father of the world am establishing the divine heavenly **kingdom of Ram** (*Ram Rajya*) consisting of Sun and Moon dynasties, which was desired by the Congress leader of India Bapu Gandhiji.

Side by side, I am opening the gateway **to the abode of salvation** (*muktidhaam*) or **the abode of peace** (*shantidhaam*) for all the souls by causing the mega-destruction of the iron-aged demoniac world through the forthcoming beneficial *Mahabharat Mahabharat* War and natural calamities, which is inspired by *Mahadev Shankar*.

THE ONLY BLUNDER

Dear Children! It was I, who imparted the imperishable knowledge 5000 years ago, at the time of *Mahabharat*, which is famous as the Scripture *Shrimad Bhagwad Gita*. But, the biggest blunder committed by the people of **India** (Bharat) is, that the name of the one who takes 84 births, who is perfect in all the virtues, who is **complete in 16 celestial degrees** (*16 kala sampoorna*), the first Prince, Shri Krishna of the pure Golden Age (who has himself achieved this post through this *Gita*) has been written in *sarvashastramayi shiromani Shrimad Bhagwad Gita*, instead of Me, the Supreme Father Supreme Soul Shiv, the Ocean of Knowledge, Gita Sermoniser, Bestower of divine vision, Purifier of the sinful ones, free from the cycle of birth and death, always liberated, Bestower of salvation and true salvation (*gati and sadgati*) upon followers of all the religions and have condemned the *Bhagwad Gita* itself. It is due to this reason only that the people of Bharat have lost **spiritual connection** (Yog) with Me, and have become irreligious, unrighteous, vicious, insolvent and miserable.

If the scholars, spiritual teachers and pundits of Bharat had not committed this mistake, people of all the religions of this world would have accepted *Shrimad Bhagwad Gita* as the sermons of the most beloved Supreme Father Shiv, who is the guide to **the abode of liberation** (*nirvaandhaam*) and would have read it as their religious scripture with so much love and devotion and they would also have esteemed Bharat as the Supreme pilgrimage considering it as the birth place of Supreme Father.

GODLY MESSAGE

Corruption and vices will come to an end in Bharat within the forth coming 10 years and the Golden-aged Suryavanshi rule of Shri Lakshmi and Shri Narayan is going to arrive soon after the forth-coming world war.

PRAJAPITA BRAHMAKUMARIS AND BRAHMAKUMARS

THE TRUE STORY OF THE 84 BIRTHS OF SHRI LAKSHMI AND SHRI NARAYAN

God Shiv says:-

Dear children! 5000 years ago, in the beginning of **Golden Age** (*Satyug*), there was an unshakeable, everlasting, obstacle-free, completely prosperous and peaceful rule of the worship-worthy deity-sovereigns Empress Shri Lakshmi and Shri Narayan in Bharat. Before *swayamwar* (marriage) were known by the names Shri Radhey and Shri Krishna respectively. They were all-virtuous, complete in 16 celestial degrees, completely viceless, *Maryada Purushottam* (highest among all human beings in following the code of conduct) and completely non-violent. In the 1250 years of Golden Age they took 8 births in *Suryavanshi* (Sun dynasty) deity clan and in 1250 years of Silver Age (*Tretayug*) they took 12 Births in *Chandravanshi* (Moon dynasty) clan along with the kingship. During the 2500 years of **Copper** (*Dwaparyug*) and **Iron Age** (*Kaliyug*) they took 63 births in Vaishya and Shudra dynasties in the clans of eminent worshipping king and queen or in the form of subjects.

Now at the **elevated confluence Age** (*Purushottam Sangamyug*) of the Kalpa, I (incorporeal Supreme Soul Shiv) have made a divine entry into the last i.e 84th birth of Shri Narayan in his ordinary body in the vanprastha stage and have named him 'Prajapita Brahma'. Shri Lakshmi, in her present 84th birth is a Brahmakumari, i.e. mouth-born progeny of Brahma whom I have named 'Jagadamba+Saraswati'. And by teaching easy Rajyog and Godly Knowledge through the lotus-like mouth of Brahma, just as in the previous *Kalpa*. I am getting the new, Golden-aged Deity World, Heaven or Paradise re-established. Through their intense **efforts** (*purushaarth*) Prajapita Brahma and his mouth-born progeny Brahmakumari Saraswati will once again attain the status of worship-worthy World Emperor Shri Narayan and World Empress Shri Lakshmi respectively in their next birth.

Dear children! Those who will now help Me the World's Bapuji or Father, in the establishment of the true deity self sovereignty of complete Purity, Prosperity and Peace by severing the connection of the intellect with the body and all the bodily relationships and connecting the Yog of intellect with Me, i.e. lotus-like life while staying in the household, shall be rewarded with the status of 'man to Narayan' or 'women to Lakshmi', i.e. 'human beings to deities' in the Golden-aged *Suryavanshi* dynasty and the Silver-aged *Chandravanshi* dynasty for 21 births in the future half a *Kalpa* (2500 years).
