Topic - Difference between soul and Supreme Soul

Because we souls have our own bodies but the Supreme Soul Father does not have a body of his own. This is the difference between soul and the Supreme Father Supreme Soul [*Parampita Parmatma*]. We souls take the physical births and enjoy happiness and suffer sorrow whereas Shiv, the Father of we point like souls does take birth by entering but does not enjoy happiness or suffer sorrow through the body. So we souls are *Bhogta* (the ones who enjoy happiness and suffer sorrow). And He is *Abhogta*.
