Topic - Sign of the *karmatiit* stage

The one who attains the *karmatiit* stage, whether he performs good actions or bad actions, whether he performs sinful actions through the *karmendriyaan* in the eyes of the world or he performs noble deeds, he won't be stained by it, his stage won't be spoiled. He will always stay cheerful in joy. Just like it is said: the one who becomes stable in the soul conscious stage, even if he kills the entire world, he isn't stained by any sin. This joy itself is the proof, the indication of attaining the *karmatiit* stage.
