**Topic - Krishna shown on Arjun's chariot is not God of the Gita**

Actually, Krishna is not the God of the Gita. It has been shown that God drives the chariot. And it has also been shown (mentioned) in the scriptures that the body is called a chariot, "*Shariram ratham viddhe, indriyani hayanyahu*". Consider the body as a chariot and the organs as the horses. Despite all this human beings have considered Krishna as God. Well, will God drive a physical horse carriage? It is indeed a chariot like body. He controls the chariot like body. How should we run it, how should we act, the **Father** comes and teaches this in practice.
