### **Topic - Why is it necessary to keep the maidens and mothers ahead?**

What is the essence of shrimat? [It is] to stay pure. And do the maidens and mothers have that purity more or do the men have it more? ☺ Say 'yes' or 'no', won't you? And all the tasks of the world are accomplished through purity. If there isn't *purity*, no task will be accomplished. Ultimately, even the *Rudramala* receives the *direction*: invoke the *Vijaymala*. This is why you should keep the maidens and mothers ahead.
