Topic - Who is forever true?

Only one concept is deeply rooted in your intellect: we have found God the Father. God the Father can never show a wrong way. Whatever He speaks through the mouth will be true. Whatever action He performs or enables others to perform through the *karmendriyaan* will be true actions. This is especially believed among the Sikhs. They even say, '*Hai si bhi satya, ho si bhi satya*'. He is true and He will only be true. He was only true [in the past]. Therefore, you shouldn't delay in accepting the truth.
