Topic - The knowledge of God is easy and free of cost

The lessons which God comes and teaches are so *simple* that the essence of it can be understood in 7 days. Whether someone is poor or rich, someone is an intelligent 8, 10 or 15 year old child, someone is an old man, or someone is ill or healthy - the knowledge of God can settle in each one's intellect. Whether someone is lame or crippled or has a good health - everyone can take the knowledge of God and can understand its essence just in 7 days. The knowledge of God is so simple and it doesn't have any *fees* either. In the knowledge, which God comes and gives, there are not camps like that of Acharya Rajnish, where money is taken.
