**Topic - What is the identification of God?**

God never needs to have His pictures published. God doesn't advertise (reveal) Himself. The children of God advertise Him. *Son shows Father* and *Father shows sons*. The Father reveals the children [and] the children reveal the Father. God needn't say that He is God. If someone does say 'Shivoham, I am God Shiva', Baba says: he isn't God. What is he? He is Hiranyakashyap. Those who call themselves God are Hiranyakashyap.
