**Topic - The period of Dharmaraj's punishments**

**Student:** The ones who give sorrow and then leave their body, how do they receive the punishments of Dharmaraj?

**Baba:** It doesn't happen all the time that whenever someone leaves their body, Dharmaraj gives them punishment. It is about the *last* birth, of the end. It is about the end even in the last birth. When the destruction takes place, they will experience the punishments of Dharmaraj as well.

**Student:** If someone leaves his body in the Brahmin family and he has to suffer the punishments of Dharmaraj, how will he receive it after leaving his body?

**Baba:** There aren't the punishments of Dharmaraj now. You will receive them when the *result* comes out.

**Student:** Then, how will the soul who left his body receive [punishments]?

**Baba:** I will give [you] punishments by enabling you to take on a body. Even if that bodily being soul takes on a subtle body, he will enter someone and receive punishments. It isn't that he will suffer [punishments] only through the thoughts and that will be all. 'We will see when it happens'.
