**Topic - Which children come in a poor third?**

Weak children who belong to the *second, third class*, who don't listen to the Father, they are of no use to the Father. Why should you let them go? It is because they are the *third class* children. They are of the *third-class* religion. Which is the *first-class* religion? The Ancient Deity Religion, the *Suryavansh* and the *Candravansh*.
