Topic - Who survived the semi-destruction?

Student: The deities who are left at the end of the Silver Age, are some of them buried in soil?

Baba: Will only those who are more *powerful* survive or will all survive? Those who are *powerful*, whose balance of merits is good will survive.

Student: Those who are left at that time, they definitely don't have anything to eat.

Baba: *Arey*, do fruits, flowers and leaves meant for eating get over?

Student: They will be left.

Baba: You are too worried.
