**Topic - Why did God create such *drama* of recurrence?**

**Student:** He is asking, why has [God] created this *drama* that repeats?

**Baba:** He **hasn't** created it; it is *already* created. If it is created, the question arises 'when it was created, who created it'. This question doesn't arise at all. It is an eternal *drama*. It neither has a beginning nor an end.
