Topic - The true meaning of Maya

In today's world, all the human beings have been defeated by Maya-Ravan. Wealth and property is not called Maya. Maya [means] lust, anger, greed, attachment and ego, which have taken every human being in their grasp, their combined entity (*sanghat*) itself is called Maya-Ravan. In the whole world there is the rule of Maya-Ravan. Now, to enable you to gain victory over it, God the Father has to come at the end of the Iron Age (*kaliyug*).
