Clarification of Night class 04.12.1968

The night *class* dated 4.12.1968 was in progress. We were discussing relationships at the very end of the middle part of the second *page*. There are very few relationships in the new world, the Golden Age. [There is] only [the relationship of] brother and sister and mother and father. And look, there are so many, numerous relationships in the Iron Age. How? The more [number of] sons and daughters they give birth to, the more [the relationships] will keep increasing. How many [relationships] will there be? There will be many [relationships], won't there? Then, there will be so many grandchildren. The number of relationships increase. And they increase a lot. It is because if even eight to ten children are born [from one couple], the population will certainly increase, won't it, children? And then, there will be their grandchildren. Brother, how many children will they have? Eight. How many grandchildren will they have? They will say: 20-25. And how many great grandchildren will they have? There will be 50-60 of them. Then, they certainly keep increasing. There aren't so many [children] in the Golden Age. In addition, you are pure there.

Accha, today, some new [children] have come. Someone said: yes. Where is *tolii*? When the Father comes for someone He enables [you] to make *purushaarth*. Now, He shows you the method. But if it isn't in your fortune, what can even the Father's method do? Third *page* of the night *class* dated 4.12.1968, third *line*. What can God's method do? It is because they already don't have the faith that God teaches here. Even if they have faith, Maya is so powerful that she can make them leave [faith] even from there. This is the trap of Maya because this is the fight to gain victory over Maya, Maya in the form of five vices. It is also called Ravan. So, this is a fight. Just like the Father is Almighty, similarly, Ravan in the form of the five vices is also almighty. It is because his emperorship continues for half the cycle and the emperorship of the Father continues for [the other] half. Now, the emperorship of Ravan ends because this kingdom of Ravan is going to be destroyed.

So, they kill Ravan, don't they, daughter? So, they use crackers etc.... it needs a knock, doesn't it? So, they burn him by setting off crackers [and] gunpowder. This entire world belongs to Ravan himself, so it is burnt the same way. They explode atom bombs etc. and burn it completely to ashes. It is correct, isn't it? Everyone will be burnt to ashes. Everyone's body, wealth, property, everything is going to be burnt to ashes. It is because the new world of the deities has to arrive. So now, the children have come and belonged to the Father, who is also called Ram. Earlier, you belonged to the community of Ravan and you were completely dirty, you were in brothel. It is because the kingdom of Ravan is just in brothel and the kingdom of Ram is in Shivalaya (the temple of Shiva), in the capital of Shivbaba. As for the rest, Shivbaba Himself doesn't rule at this time; He gives the kingdom to the children [saying:] rule in Shivalaya. And daughter, all the *Bharatvasis* are in brothel at this time, it means they are the residents of hell. So now, you children come [here]. You know that now we become the residents

of heaven again. The death of the residents of hell is standing ahead; [the world] will certainly be set on fire. This and that of *bombs* etc... The same happened 5000 years ago as well. There was the destruction of the old world and the establishment of the new world. So, when the establishment of the new world, the capital of the *Suryavanshis* and the *Chandravanshis* is complete, the *Suryavanshis* themselves are left. The rest of the *Shudravanshis* are destroyed. All of them are destroyed.

It is because at this time, there are the *Shudravanshis* on one side and you *Brahminvanshis*, *Brahmavanshis* on the other side. So, Prajapita Brahma is certainly the Father's child. It is correct, isn't it, children? If someone asks: whose *creation* is Brahma, Vishnu and Shankar? They will say that [they are the creation] of Shivbaba, the Supreme Father Supreme Soul. So, it will be said that they too are brothers, aren't they? Brahma, Vishnu and Shankar, all the three are brothers [for each other]. And the *creation* is said to be brothers. All of them are brothers [for each other]. Well, brothers don't give inheritance to anyone. The father can give the inheritance. So, He is the Father of everyone, isn't He? What rights do the children receive? You know that they receive the rights to both, liberation and liberation in life. And there is the One Father of everyone who gives the rights to both, liberation and liberation in life.

Then you attain liberation in life and the rest attain liberation. Look, this happens, doesn't it? Now, it is the Confluence Age, isn't it? So, it will happen the same way, won't it? No one will be in the bondage of life. So, it will be said that there is liberation in life in the Golden Age and all the others attain liberation. All of them are in bondage in the Iron Age. So, these are the concepts to understand, aren't they, daughter? If you understand them, it is good. You will be saved. Otherwise you will be finished. Although someone has come [just now], it has been only two months, she is worthy to go to heaven. She will go and become a valueless *dedh camaar*¹ - we have them here, don't we? – among the subjects. [But] she will definitely go there. Even someone who has [followed the knowledge] only for a month or two will go [there]. Although she keeps studying in school, she will definitely go to heaven because she has listened to the Father's words, hasn't she? If she doesn't study much, it is said: if you don't study, you will be spoiled. If you fight and quarrel, you will be spoiled [and] if you study, you will become a prince. Then, you should understand what you will become. *Accha*, remembrance, love and *good night* with the heart and spirit, affection and love from the Spiritual Father and *dada* to the children. Greetings from the Spiritual Father to the spiritual children. Om Shanti.
