Clarification of Morning class 05.12.1968

This is the morning *class* dated 05.12.1968. On Thursday, Baba said: the Spiritual Father is explaining to the spiritual children. He reminds [them] to stay in the soul conscious stage. The children who understand as well as the *Supreme Teacher* who explains are souls. What do you sit and do? It isn't that you just sit silently. No. You sit in the knowledgeable stage that is full of meaning. You children do know why you remember the Father. It is because the Father gives us a very long age. All our sins will be destroyed by remembering Him. And we will become *satopradhaan* [like] pure gold. Look, you are decorated so much! Your age will become long. Your soul will be rejuvenated. And now, there are a lot of impurities in your soul. This is why, all the dirt of vices, the dirt of the *rajo* [and] *tamo* qualities in the soul will be removed. You are going to be benefitted a lot. Then, your age will also become long and you will become the residents of heaven. *Accha*. You will become the residents of heaven. And then Baba will come and give the knowledge again. What will happen with that? You will receive a lot of wealth [and] gems. You will become multimillion times fortunate.

'*Manmanabhav*' is said for just the One. It means: O children, remember Me alone. He doesn't say [it] for the body. [It isn't] that He says it for some body. It is because the Father doesn't possess a body at all. In reality, the soul doesn't have a body either. These souls have become bodily beings now, after coming from the Soul World. Even the souls have become [like] a stone after having many births. So, the souls have to become [like] gold from being [like] stone. It is right, isn't it? So much... you children here... One thing is, you are becoming pure, for which the Father explains: you bathed in water for many births. You bathed a lot with the belief that you will become pure through that water. You will become pure from sinful. But what was the *result*? You became sinful all the more. There was no benefit. No. You suffered loss all the more. It is because it is '*jhuuthi maya jhuuthi kaayaa jhuuthaa sab sansaar*¹'. The entire world speaks lies. In that too, who is the one who speaks the *number one* lie? It will be said that [it is] your gurus. The Father has explained – hasn't He? – when I take you across, purify you, who makes you sinful? It is the Father Himself who tells you that. On the directions of Ravan, these sages, saints, gurus and holy men, by reading these scriptures etc. ... you *feel* (realise), don't you? We had been bathing in the Ganges for such a long time with this very belief: we will become pure and go to the Pure World.

It is because the Father has explained: the Abode of Peace and the Abode of Happiness, both are pure abodes. And **this** is the abode of Ravan. It is the sinful abode. You can definitely remember that, can't you? There isn't any difficulty [in it]. [It isn't that] there is any difficulty in remembering [the Father]. *Accha*. There is neither difficulty in remembering [Him] nor is there any difficulty in narrating [the knowledge] to someone. You should open your mouth (narrate the knowledge) at least to some extent, shouldn't you? Whenever you meet someone, tell them: consider yourself as a soul and recognize the Unlimited Father. Then, they will recognize [Him] at once. It is because the Supreme Soul is the Father of the souls. The father of the body, of every individual is different. And He is definitely the One Father of everyone. Well, there are separate, individual fathers in that world. Now, you don't have any difficulty in understanding that either. There is no need of education, school etc. in it at all. No. The Father is explaining [it] in Hindi nicely. He doesn't narrate [the knowledge] in any other language. It is because Hindi is the language of Bharat at this

¹ Maya is false, the body is false [and] the entire world is false.

time. Look, everyone calls Him and says: speak in Hindi. Speak in Hindi. So look, the Father comes and speaks in Hindi beforehand.

This is why, it is said only for you children. ‘Look, [these are] jewelleryes [worth] multimillion; [you are] multimillion times fortunate.’ So, they will be called that, won’t they? Earlier, whenever you used to go to temples, nobody told you that they are very fortunate. They have plenty of wealth. These Lakshmi and Narayan are the masters of the world, the masters of heaven. But how did they become that? You should know that, shouldn’t you? So, no one knows how they became [that] at all. Now, you know that Baba is telling us: through the Easy Raja Yoga, we... The Father is telling us: they have received this share of kingship from Me in the Confluence Age [or] call it the *Purushottam* Confluence Age. No other age can be called the *Purushottam* Confluence Age. It is because you don’t become *Purushottam*, [you don’t become] Narayan from a man in any other age. Now, you who belong to the old age world become those who belong to the new age world. The age of the new world is called the Golden Age. You don’t forget that, do you?

So, in reality, [despite] explaining all this to you every day, the Father says: even if you remember just two words, it is alright. But remember it after understanding the meaning. It shouldn’t be that you just say ‘Shivbaba’. You should know its meaning as well, shouldn’t you? The One who is forever beneficial is called Shiva. The One who has an incorporeal *stage* forever along with being forever beneficial is called Shiva. He is just an Incorporeal Soul. He doesn’t have His own body at all. You have been remembering this word ‘Shivbaba, Shivbaba’ a lot. You read [in] the Gita: *manmanaabhav, madyaajibhav*. But you don’t understand its meaning at all. [You don’t understand] what the meaning of ‘*manmanaabhav*’ is. Merge in My mind. When you merge in My mind, whatever actions you perform, whatever you offer, you will do it for Me. So, [that is] *madyaajibhav*. You don’t understand who said this ‘*manmanaabhav*’ and how he said it. It is because Shiva doesn’t have an inconstant mind at all. Call it the mind, the heart; it is the same thing. So, Shiva’s mind is set on whom? Those *film* makers have made the song: *aaj mera dil aa gaya* (today, I’ve fallen in love). They have made a song, haven’t they? So, Baba asks: I’ve fallen in love with whom? With Bharat. God came and devoted [Himself] to Bharat. What does Bharat mean? ‘*Bha*’ means the light of knowledge. ‘*Rat*’ means the one who is engaged [in it]. That has been his very task for many births. So, this topic of *manmanaabhav* comes with that. So look, the clear meaning is written even in the Gita. *Mamemkam namaskuru*. [It means,] bow in front of Me alone. Bow through your intellect. Don’t show the bodily ego of your intellect. So, He says: remember Me alone. Why? It is because I alone am *Patit Paavan* (the Purifier of the impure). He says that daughter, doesn’t He? No one else can explain at all how I am *Patit Paavan*.

Second *page* of the morning *class* dated 05.12.1968. Who says ‘I am *Patit Paavan*’? And who says, ‘purify me’? The one who becomes pure will certainly go back to the Pure World, won’t he, children? When you souls came from there, you were *satvapradhaan*. Later, you have become *tamopradhaan* by having many births and experiencing the pleasure of the *indriyaan*. These 84 births are referred to as the cycle of the 84 births, aren’t they? Baba has narrated this knowledge to you children and said: now, these 84 births are complete. And He also says: you have a new birth again after every 84th birth. You go to the new world to have a new birth. Then you become these deities in the new world. Now, every one of you children certainly [want to know] how you have 84 births. Now, you even know the Unlimited Father. And this creation of 84 births is called the cycle of 84 births. So, you have come to know the cycle of 84 births as well as the Father. So look, now you have become a theist. It is because the Father said: those who know the Father are theists. And

those who don't know the Unlimited Father are atheists. Earlier, you didn't know [Him] either. 'Earlier' will be said to be the past, won't it? 'Earlier' doesn't mean the future. You were atheists in the *past* for many births. You were atheists in which ages? It will be said, did you know the Father in all the four ages [i.e.] the Golden, the Silver, the Copper and the Iron Age? You didn't know [Him]. So, no one knew [Him]. Earlier, no one knew what the Father teaches after coming and what He is teaching [us now]. And you also say: Go, go wherever you wish, no one in the world will explain what the Unlimited Father explains [to you].

You should really understand who is decorating you now, shouldn't you? Who is doing it? What will be said? Who and how many are doing it? Is one [soul] decorating [you]? The Father has said: both are decorating you, aren't they, children? The children will say: Baba is decorating us. Now, the children have been told that the combination of the Incorporeal One and the corporeal one is called Baba. Both are decorating you because it is the household path, isn't it? Can your decoration be complete without either [of them]? Tell Me. Think about it. If the two fathers, both the unlimited fathers don't unite in one body, how will they be called Shivbaba? And how will they decorate you? Will they? How will this Brahma decorate [you]? When both of them unite, it is then that they say: *matto barah*. So, one and two together make twelve. Just the one can't decorate you either. Neither the father of the corporeal human world nor the Father of the souls can decorate you alone. Many [people] say: God gives us strength through inspiration and power. But no, you can't get strength without either [of them] at all. You can **never** [get it]. When the two [souls] unite, come and take on this body, take the support of this chariot like body, it is then that your decoration is possible. Otherwise, your decoration is never possible. When these two unite, it is then that you can be decorated so much. Look... You do observe this, don't you? Now, where are your decorations? Are you [decorated]? Is it there? Do you have your decorations now or not? Yes? Just look at your face! Just look at your behaviour! ☺ Look at everyone. It isn't about [just] one. *Tattu*... Look at these *tattu*! What does a *tattu* mean? A *tattu* means a horse that carries weight. He carries the weight of this cowshed, that cowshed, the weight of these ones, his own weight, the weight of his family members, the *laukik* [family], the *alaukik* [family], the *parlaukik* [family]... Well, there is no question of carrying any weight in the *parlaukik* [family] at all. Yes, you certainly knew: truly, we were drowning in a brothel. We were lying in the *gutter*. You did understand, didn't you? And yet, look at your thoughts. You try so much to fall in the *gutter*! Baba sends you to heaven at once and they dive into in the river of vices. There is a book named 'Garud Purana', isn't there? In it, it is mentioned [as] 'the river of vices'. So, they understand it and listen to it through the ears. Look, everyone listens to it. All of them, all the *youngsters* listen to it. Tell them: Baba is taking us to the abode of heaven according to the *drama plan*. You did understand, didn't you daughter? Consider that Baba is bound according to the *drama plan*. Did you understand? He is *responsible* [for it]. Both of them have received this *duty*. Who? They. Or this Brahma? This one or they? They. They have received this *duty* according to the *drama plan* that they will certainly come and they are bound to come here after every 5000 years. And they are bound to come for you children [so that] they decorate you. So, Baba explains - doesn't He, daughter? - you definitely become pure through the power of yoga. Your body also becomes pure, it becomes [like] gold. The soul also becomes [like] gold. It is right, isn't it? Then, you become dirty in the kingdom of Ravan, completely dirty. So, look at the decoration. You have these visions: we will become like this. How? Just like these Lakshmi and Narayan. Om Shanti.
