Clarification of Morning class 16.12.1968

We were discussing the morning *class* of the 16th December 1968. The topic going on was about remembrance. If you children remember [Me], all your sins will be destroyed completely [and] your rust will be removed. This is why it is said: you can obtain the sovereignty of the world through the power of yoga. And perhaps no one can obtain the sovereignty of the world through the physical power meaning through such weapons like cannons, guns, atom bombs, etc. that are created . And you can understand, if those belonging to the Yadav community wish, they can rule the world. But it isn't the *law* that they unite and become one. Why isn't it the *law*? [It is because] it concerns purity. When there isn't *purity*, there can't be *unity*. As for the rest, the Father explains: if they unite and become one, they can rule over the world. Those belonging to the Yadav community have so much of power. And look, the people of the world also say, don't they: if these super powers, *Russia* and *America* wish, they can establish peace in the world and if they wish, they can destroy the whole world. Now, everything depends on these two. You children were also ignorant earlier. Males were ignorant and as for the females, they aren't educated much, they aren't [educated] at all. They are mostly foolish like the foolish in villages. As for the rest, you do listen to this in the newspapers, don't you? Yes. The reporters say this clearly: *Russia* and *America* are two super powers. Well, they are [both] Christians. They are brothers for one another. So look, if these two brothers unite... they do say, don't they: they certainly can't unite. It isn't destined in the *drama*. But conscience says: if both of them unite, all two divisions will unite and say, 'We want to rule over the whole world'. And with two *bombs* in an *aeroplane*... it will certainly be [broadcasted] on the *television*. And they will spread the news in the whole world: we want to gain victory over the whole world. Now, all countries of the whole world should raise a white flag or else everyone will be killed. Now, what will the poor small [and] big countries do?

So, come on, the next *temporary*... For example, it is said that there was Khudadost. He took a person near a bridge and gave him the sovereignty, the sovereignty for a day. And for you, it is about the knowledge. It is because you receive the sovereignty in a *second*. It is praised, isn't it: liberation in life in a *second*. You do know it. Tell Me: do you receive the sovereignty in a *second*? Yes, you have visions in a *second*. And you dance in Vaikunth. Look, in the path of *bhakti* as well, what did Meera have? Meera also had the same [visions], didn't she? When she remembered Krishna a lot with the feeling of *bhakti* she received the sovereignty. So, the Father sits and keeps explaining these concepts to the children that the incidents mentioned in *history* are applicable to the *shooting period* as well. Don't *waste* your *time* or else listen to what the Father says and churn the ocean of thoughts on them. The churning of the ocean of thoughts is very famous in the scriptures. Churn the ocean of thoughts like a cow; she sits all day along and chews, ruminates whatever she eats. Well, your mouth shouldn't keep working like cows. You mustn't speak or do anything. You have to become introvert. You have to stay in remembrance while walking, moving, standing, sitting. Whatever Baba narrates, you should have the *aim-object* in the intellect: I have to go Home now. Now, I have to go to my Baba. And I have to remember the Unlimited Father very nicely. If I remember Him nicely, all my sins will be destroyed. So, you have this desire within, don't you? You may call it a wish. It will keep going on within, won't it? So, the sins will be destroyed. And if you become lazy in remembering [the Father], in making *purusharth*, you will fail. Why will you fail? It is because Maya is standing very sternly right in front [of you]. She doesn't spare anyone. The spiritual children – no matter how they are, *sweet*, *sweeter* or *sweetest* – He can also say that to the number wise children. Remembrance, love and *good morning* of the Spiritual Father and Dada from the heart and spirit, with affection and love to the spiritual children. *Namaste* of the Spiritual Father to the spiritual children. (Om Shanti.)
