**Clarification of Morning class 02.01.1969**

Today's morning *class* is dated 2<sup>nd</sup> January, 1969, Thursday. Om Shanti. The Father has explained to the spiritual children: when you sit here, you should definitely sit with this thought that He is Baba, the *Teacher* as well as the Guru, the Sadguru. And you also feel this: we will become pure while remembering the Father and reach the Pure Abode. It is because the Father has explained nicely: you have descended from the Pure Abode itself. Then, those impure abodes have also been given names. *Satopradhaan*, *sato*[*saamaanya*], *rajo* and *tamo*. Now, you know that you have fallen. You have become *tamopradhaan* it means you are sitting in a brothel. Although, you are in the Confluence Age, you know this knowledge, don't you? We have turned away [from the world]. Still, if we stay just in Shivbaba's remembrance, *Shivalay* isn't far away. Otherwise, it is very far. You have to suffer punishment, don't you? Though, you have to go there (*Shivalay*), you go far from there. So, the Father sits and explains to the children. He certainly doesn't give any other trouble to them. One thing is that He repeatedly asks you to stay pure. It is said in English: *thought, word and deed*. It is called '*mansa, vaca and karmana*' in Hindi. You should stay very pure. It is because daughter, these eyes deceive [you] a lot. So, you should be careful.

Baba has explained: through trance and visions... Remembrance and [going in] trance are two different things. Remembrance is called *yoga*. Moreover, [you have yoga with] the eyes open. [To go in] trance isn't called *yoga*. No. Baba has explained: when someone goes in trance, that is neither called *yoga* nor knowledge. When someone takes *bhog* with them, they should take it tactfully, according to the directions. It is because Maya interferes a lot in yoga or in trance. And that Maya is such that she even makes [people] wander here and there. It is because she is powerful. Just like, the Father is powerful, Maya is also powerful. So, Maya is so powerful that she takes the entire world to brothel. She has taken it there. So, you should be alert in this too. You should never come in the clutches of Maya. Baba has explained: they have *yoga* a lot, they do this, still, they fall and go to the brothel. Daughter, they go there, don't they? There are many who even offer *bhog* there. They were given a very high position. Still, Maya is such that she pushes them in the brothel. This is why you should be very careful while [going in] trance or while having *yoga*. You should have real remembrance of the Father. You have to act according to the law. If you violate the law, if you violate the *Ishvariya law*, Maya can do anything [to you]. She makes you fall completely.

This is why children should never wish to go in trance or to have vision. *Ichhaa maatram avidyaa*<sup>1</sup>. The Father explains this, doesn't He? You children shouldn't have any desire. No. The Father fulfills all your wishes without you even wishing [for it] but only if you follow His direction. If you violate the Father's direction and adopt some wrong path, it is possible that you fall in hell instead of [going to] heaven. It is because many have fallen there. Don't think that they haven't fallen there. Numerous [people] have fallen there. Baba certainly keeps explaining, doesn't He, children? It is certainly famous for even the very good *maharathis* (great warriors) that the crocodile devoured the elephant. It is said that an elephant (*maharathi*) is very huge. He remembers [the Father] very nicely. He gives knowledge to many. Then, why does Maya gobble him up? It is because he violated the law. So, Maya totally misleads him. Just like we say: this entire world is of monkeys. This is the world of corrupt ones. This is the *Devil World*. It is said like this, isn't it? So, they can become a *devil* while becoming a *deity*. It isn't a big deal. And there are many who become that. It is then that the Father says: the Father knows it; and it isn't that the children don't

<sup>1</sup> There shouldn't be even the trace of the knowledge of desire

know it. Children know that the very good ones who used to make a lot of *purusharth* to become a *deity*, they become a *devil*. They become a *devil* and go and stay with the *devil* himself. It is because they become *traitors* here, don't they, children? Those who belong to the Father while being alive and then they become deceptive, they are called traitors. Just like, the outsiders are also called that. This is why a lot of alertness is required on this path. Second page of the morning *class* dated 2<sup>nd</sup> January, 1969. You should check yourself according to *shrimat*. If you fall [from the stage of] following *shrimat*, if you violate *shrimat*, consider that [you will become] a prostitute or go in the brothel. You will become a licentious man and so and so. You did understand, didn't you? You don't even come to know of it. This is why the Father cautions the children a lot: don't violate *shrimat*. It is because you have reached this bad condition through demonic opinion. This will be called a bad condition. Now, you children realize, don't you: from where we have fallen and where we have reached, to the nether world. Still, Maya is such that if you don't follow *shrimat* and become careless, she can send you to the nether world even while you are climbing high. Daughter, they become that, don't they? There are many of such ones.

Baba explained yesterday as well: the *gops* (males) shouldn't form committees, etc. against *shrimat* and consider it to be something very nice. So, whatever they keep doing without the support of *shrimat*, they certainly do something wrong. They will do something wrong and degrade. It is because forming committees isn't something very easy either. Look, the Father says: He formed a *committee* in the beginning. Whose *committee* did He form? He formed a *committee* of the mothers. Children, you mothers alone will receive the pot [of knowledge]. The mother will gain victory. It is [said:] '*vande mataram* (hail the mothers)'. If some *gops* sit and form their committees... it isn't praised '*vande gop*' at all. They get trapped in the deception of Maya and die. It is because look, it isn't in accordance with the law at all. First of all, the Father Himself formed the *committee* of these daughters. He handed over everything to the daughters at once. It is because daughters are *trust worthy* and *males* aren't *trust worthy*. Look, who goes bankrupt? Men go [bankrupt,] don't they? Women never go bankrupt. You would have never heard any name that so and so woman went bankrupt. Have you ever heard it? Now, the entire responsibility is on the mothers. So, they should be very alert. Mothers can go bankrupt in this path of knowledge it means they are going to become multimillion times fortunate, so, they can go bankrupt in this. It is correct, isn't it? They don't [go bankrupt] there (in the outside world). No. It is only men who go [bankrupt] there. So, both can go bankrupt here. It isn't that just the *gops* [go bankrupt here]. So, see a lot that many mothers and daughters have gone from here. Look, they went bankrupt, didn't they? Many men would also have gone. They went bankrupt, didn't they? Baba explains: now, the *Bharatvaasis* have gone completely bankrupt. So look, how powerful Maya is! They don't understand anything at all. They think: what I was and from where I have fallen. So daughter, it is correct, isn't it? Baba explains: here, if you forget *shrimat* while climbing high, if you forget it and act according to your own opinion, you will go completely bankrupt. Then, what is the condition of those who go bankrupt? Children, they certainly go bankrupt. *Accha*, they don't [go bankrupt] for one birth. *Arey*, they go bankrupt for five-seven years and then they recover. Here, they go bankrupt for 84 births. They will never be able to attain such a high position in the 84 births. There are many children who go bankrupt to such an extent. Children keep going [bankrupt]. It is then that Baba says: if I had everyone's *photo*, I would have shown them to you that what Baba says is absolutely correct. *Arey* look, these ones were such *maharathis*; they certainly used to uplift many. And today, they aren't present here at all. Where did they go? The Father will say: they were made bankrupt by Maya. So, you should be very alert here. You receive a very high position; if you don't stay alert, you will fall from a mountain (high position) at once.

This is why children should be very alert. There is no use of forming committees, etc. and doing so and so on your own opinion.

What will they do? They will have wasteful talks together: this one was like this, this one was like that. Just like, Baba has explained, hasn't He: females are also like this. Then, they have wasteful talks the entire day: this one is like this, this one is like that. The connection of the intellect, which they should have with the Father, [the connection] through which they have to become *satopradhaan*, breaks. And those who don't have *yoga* despite belonging to Baba, they degrade all the more. It is because they violate *shrimat*, don't they? Though, Maya harasses them... The Father also says the same thing. Still, the Father says: even if they come back, even if their *connection* breaks... Yes, it will be said.... That which is called 'a *link*'. If that *link* breaks, you should be very concerned. Why does the *link* with Baba break? Third page of the morning *class* dated 2<sup>nd</sup> January, 1969. Maya troubles us a lot. So, you should try and re-establish your *link* [with Baba]. Otherwise, how will your *battery* be charged? It will be discharged instead of being charged. If you perform any *vikarm*, your *battery* is discharged. Then, you will find as [empty] as it was before. Now, Baba explains, doesn't He: if someone falls while climbing very high, it is as if they just remain dirty. It is correct, isn't it? They are of no use. Many are like this, aren't they? You know that many would be like this.

You daughters who are old, those who know [everything] from the beginning, at least take out some calculation one day: how many came and became Baba's? They sat in *bhatti*. And look, where are they now? Children, they are certainly in the brothel, aren't they? Look, they have degraded, haven't they? So, why did they degrade? It is because they remembered the world, they remembered this and the Father says: you should have unlimited disinterest. So, you should have unlimited disinterest; it is as if this world doesn't exist at all. You shouldn't have attachment with it. Your attachment is with heaven. Well, will you have attachment with hell or heaven? Though... It involves hard work. If you wish to become these Lakshmi-Narayan, it involves a lot of hard work. It is because we are sitting here... the Father alone joins the connection of our intellect [with Him] after coming. Children, this is renunciation, disinterest for the old world. If we have disinterest for the entire old world, who will we have *yoga* with? You will stop having *yoga* or [you will stop] remembering this (old world). You should forget the old world as well. It is absolutely correct. Then, who should you remember? You should continuously remember your Abode of Peace and your Abode of Happiness. Remember [it] as much as possible, while standing, sitting, walking. And remember your heaven [full] of unlimited joy. Daughter, it is absolutely easy, isn't it? If a person violates both these directions, they receive a position worth *pai paisa* (a very low position). You have come here to become Narayan from a man. You tell all the other people too: you have to become Narayan from a man it means you have become *tamopradhaan*; you were *satopradhaan* [before]. Now, this is your *return journey* of [becoming] *satopradhaan* from *tamopradhaan*, isn't it? The *history* and *geography* of the *world* repeats, it means heaven definitely changes into hell and hell changes into heaven. Om Shanti.
