Clarification of Night class 04.01.1969

Today's night *class* is dated 4th January, 1969. The Unlimited Father sits in the body of Brahma and explains to the children: there are *gops* and *gopis* i.e. secret *purushaarthis* here. So, even among the *gopis*, there should be one to take care. It is correct, isn't it? For example, there was Mamma. So, she used to take care [of everyone]. Now, she was capable of taking care of everyone, *gops* as well as *gopis*. Now, there is no such *gopi* who can take care of both of them. This is why there should be one such *gopi* among the *gopis* and one such *gop* among the *gops*. But you are very *royal*. No one is more *royal* than you. So, you are no doubt the children of the Unlimited Father. How sweet you should be! It is because children should have [good] conduct and *manners*. Someone will keep giving sorrow. Baba doesn't say... If someone gives sorrow to anyone – He says this, doesn't He? Doesn't He say this? – He will have to die becoming very sorrowful in the end. They don't come to know it now. But when that time comes, they suffer a lot of punishments.

Just like, the complete Brahma resides in the subtle world... children have this vision so that they also become the residents of the subtle world. It is because there is the subtle [world] after the *talky* (speech) [world] and there is [the Abode of] Peace after the subtle [world]. It is also called *movie* (the state of not talking). So now, it is the time for you children to practice stabilizing in the *movie* [stage] well i.e. to speak very little. Then, starting from a little, you will become 'the *tower of silence*'. People come to you here as well for *silence* and peace. They ask: how can we attain peace? Now, you children understand this. First, it is the Father who teaches you. You have to teach [the method of attaining] peace to others. It is because here, it is [the world of] *talky*, the *talky* of the demons. They *talk* a lot. There is a lot of noise in the path of *bhakti*, isn't there? [They ring] bells, etc. There is a lot of noise there. And what about us? Now, you have to maintain *silence*. It is because you stay in silence. So, always keep speaking to yourself within. If you have any bad trait within, keep removing it. Don't let it emerge. It is better to be silent. You are very few. There is no commotion [here]. And no one makes much noise either. You don't trouble anyone either. Those who have to speak a lot in their life, they will certainly be called poor ones. She has gone and is staying there.

First of all, [you] certainly learn to be in peace. It is because [no one] will be able to go to the Abode of Peace without learning [to be] peaceful. So, first of all, there is peace. Then, there is happiness. You go to the Abode of Happiness from the Abode of Peace. So first, peace is also required, isn't it, children? It is because you can receive happiness very quickly. It is because this cycle has to rotate. There is good peace through this journey of remembrance. Those who stay in peace, they will try to stay silent. It is understood that they don't speak. Everyone will understand that they like peace. The main concept is of purity. It is because no one can go to the Abode of Peace without purity at all. And no one can go to the Abode of Happiness without knowledge. So, children should pay a lot of *attention* on both the things. The Father sits and explains after coming here. It is because peace shows its effect. Don't think that peace doesn't show any effect. No. It is hidden. Anyone who comes inside, anyone who sits and speaks to you should become happy. Tell them: the Ocean of Peace Father has come here. So, He teaches [us to stay] peaceful. You should just remember the Father. You shouldn't remember anyone else at all. This is [to stay in] peace, isn't it, children?

And then, He explains the accurate world cycle. People should certainly understand the cycle that how the *history* and *geography* repeats. They don't know it. The Father knows how

the world cycle rotates and then He teaches it to us children. You remember the Father only in silence. Look, when you sit in silence, you sit in Baba's remembrance, don't you? Then, you need to speak while studying. First thing is that you become pure by staying in Baba's remembrance. Second thing is that your lifespan increases. So, you stay silent. You still need to speak in studies. The world wants peace. You have understood, haven't you? It is because in peace... It is only Bharat who receives the kingship of peace where there is peace in the world. Peace is the main thing. You should try not to become sad. Otherwise, you will receive a very low position. You will go [there] and become servants and maids. What else [will you become]? You make so much effort. So, this effort of the children should be fruitful, shouldn't it?

Look, how the Father explains to the long lost and now found spiritual children! Second page of the night *class* dated 4th January, 1969. You understand as well: we are the children of the Unlimited Father. The Father of the souls as well as the father of the human beings is unlimited. So, we are the children of God. And we make *purusharth* to attain such unlimited position. Still, inconstancy isn't good. It doesn't suit you. It isn't *royalty* at all. The Spiritual Father Himself sits and teaches this *royalty* [to you]. He gives remembrance and love. You should at least have some wisdom, shouldn't you? Complete ignorance isn't good at all; absolutely not. Remembrance and love from the Spiritual Father and *Dada* with the heart and spirit, affection and love to the very sweet, long lost and now found children. Now look, who gives remembrance and love? Can He (the Father) send remembrance and love to demons? Remembrance, love and *good night*. *Namaste* of the Spiritual Father to the very sweet spiritual children. Look, He also says *namaste*. Om Shanti.
