**Clarification of Night class 18.01.1969**

We have a small night *class* dated 18<sup>th</sup> January, 1969 of the corporeal Baba left today. In the beginning of the middle part of *page* three, the topic going on was: the Father gives this power and explains to the children that it is *half and half*. They lose [and] Baba makes them stand again. Maya-Ravan defeats them again. I receive many of such letters: ‘Baba, I fell’. ‘*Accha* child, don’t fall again.’ *Accha*. ‘After 15 days, a month or two, [they write:] Baba, I fell again.’ They write immediately. After five, three, ten years... Then, when they fall, they write every day. Later, they just stop studying. Look, they are hurt so badly. And everyone is hurt like this. Don’t think that they are staying with Baba in His house and listen to [the murli] every day, so they study the most. It isn’t like that. Everything depends on the studies. Though, it is easy for those who are here, there are even such ones who don’t study even a little. They don’t study despite living here. And there are even such ones who study a lot. Knowledge is necessary. Yoga is necessary. Knowledge is necessary. Yoga and knowledge, yoga and knowledge... So, knowledge is merged in yoga anyways. When they sit with someone and are coloured by their company, they will certainly have a connection with them through the intellect. Here, it is Baba who teaches [you]. ‘This so and so Baba is teaching me.’ Isn’t it, children? Now, you children know that the Father of us souls is teaching [us]; not some *laukik* father or the father of the human souls. *Accha*. Children weren’t refreshed, were they? So, they feel a bit concerned: perhaps Baba is not well. No. He stays fine. Sometimes... Sometimes, his [condition] is very helpless. Still, he certainly keeps refreshing [the children] to some extent. As for the rest, the extent to which they are refreshed here...

Yes, such children, etc. are very good. Just like there is this child, Mohan. He is a very good child. It is his nature, he never defames anyone. Everyone has their own virtues, don’t they? It is said, isn’t it: the one who defames us is our friend. God has said it. God says, doesn’t He: I am defamed a lot! I come and become your Friend. It is also said, isn’t it: the one who defames us... Now, in the Confluence Age, the Father sits and explains: look, they defame Me so much! And look, they are all My children. I love them so much. It is good to not defame anyone. And this is the end. The world is very *tamopradhaan*. Everyone should be very cautious at the present time. You should take all safety measures. *Accha*. Remembrance, love and *good night* with the heart and spirit, affection and love from the Spiritual Father and Dada to the very sweet, long lost and now found, spiritual children. The Spiritual Father says *namaste* to the very sweet spiritual children. Look, how humble [He is]. How loving [and] ego less the Father is. *Accha*, Baba takes leave. He never said that [before]. He said it now: I take leave. (Om Shanti.)
